Day of Caring 2025

In November, more than 500 volunteers came together to complete 38 projects across the greater Baytown area and Chambers County. From painting and landscaping to making warm care packages for seniors, volunteers gave back in a big way. One individual in our community shared:

"Thank you so very, very, very much for the gifts. I can really use the gloves, the little blankie, and socks, everything, and the little backpack too. God bless you for helping us."

Volunteers make all the difference in our community, thank you for your hard work to show our community how much we care!

Your Dollars in Action

MEET ROBERT

United Way GBACC supports families like Robert's through the Hearts and Hands of Baytown Food for Change (FFC) program. This initiative provides healthy, affordable food and personalized support, empowering families to manage their health and well-being.

On a recent visit, Robert brought his grandson to the market, turning a routine trip into a meaningful, shared experience as they picked out nutritious foods together. "The FFC Market is such a blessing," Robert shared. "Nataly always goes the extra mile for me and my family."

By offering more than food, the program creates a welcoming space where families can prioritize their health with dignity and hope for brighter futures.

Thank you to our Day of Caring Sponsors!
