

CHAMPION YOUR COMMUNITY

— 22 - 23 Annual Report

Welcome

As we close another year, I remain amazed at the work your United Way was able to accomplish through collaboration and support from community members like you. Every day, United Way of Greater Baytown Area and Chambers County works to provide targeted solutions to community challenges like access to basic needs, quality healthcare, education, and financial stability. Community impact can and does happen when we all work together. It may seem to be a slow progression, but, as HRM Queen Elizabeth II said, "It is often the small steps, not the giant leaps, that bring about the most lasting change." This year, more than 900 volunteers were mobilized to lift our community together. Imagine how much more can be accomplished!

I hope you enjoy reading about all of the activities and efforts we had over this past year. More importantly, I hope you are inspired to join us in Championing Our Community in the year to come.

With respect,

2022 Campaign

Because of you, we raised **\$2,212,000** this year. Thank you for choosing to support United Way of Greater Baytown Area and Chambers County.

Your dollar is impact. Your dollar creates positive change.

Campaign Chair
Kendall David,
 Goose Creek CISD

Thank you to all who helped make a difference in our community through their efforts for the 2022 campaign. I especially want to recognize the Campaign Cabinet, board members, community representatives, Employee Campaign Coordinators, and Team United who worked throughout the year to engage our community to support United Way's efforts to make a positive impact in Baytown and Chambers County.

Volunteers took every opportunity to highlight the work of United Way and find new ways to engage with workplaces and donors. These individuals are community volunteers who make up an army of advocates that continually highlight the need for the annual campaign that is critical to the support for much needed programs that benefit our community.

Community Engagement

Kaci Peña, M.A.
Director of Community Engagement

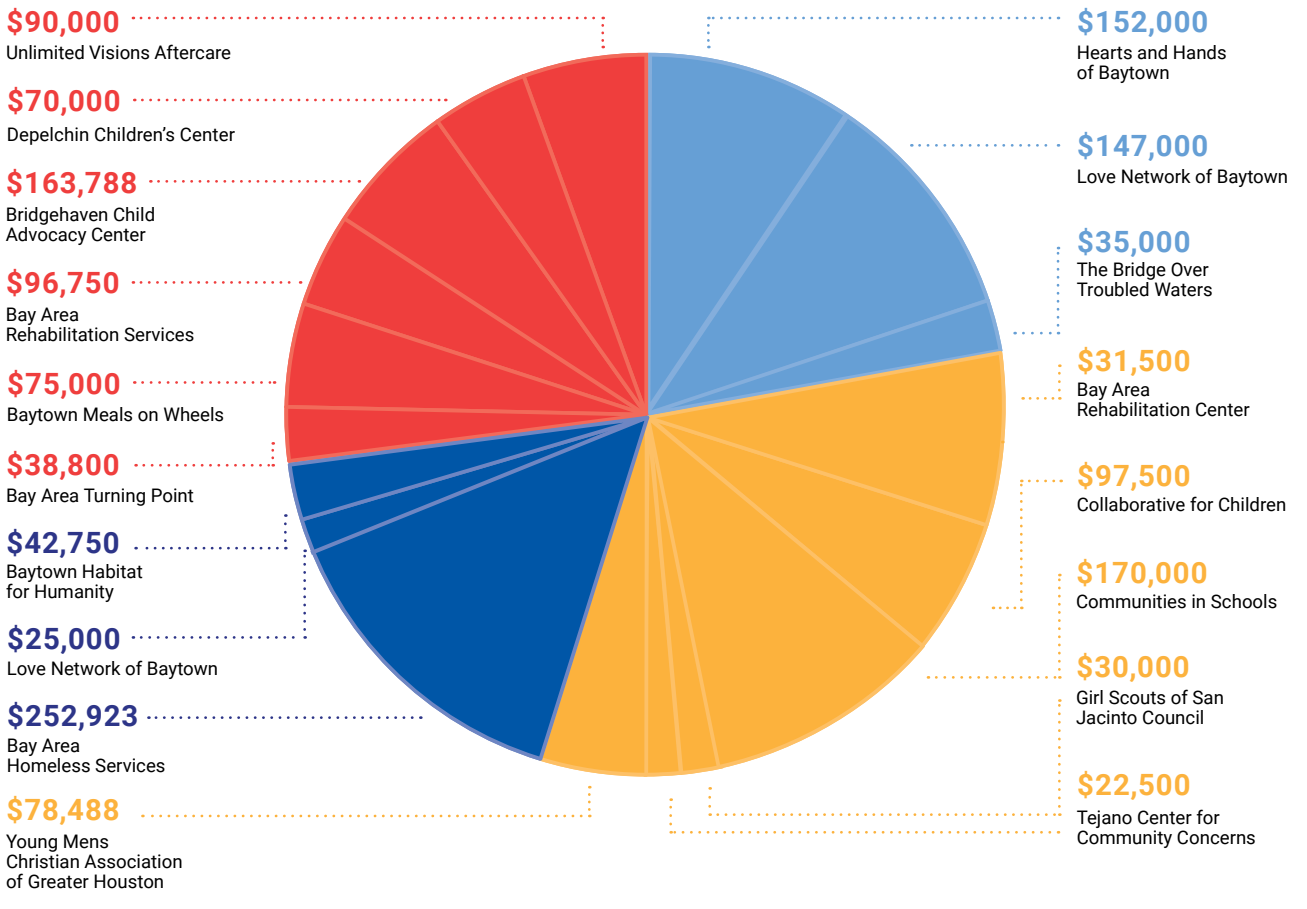

Each and every day, we hear the stories of how your dollars are making a difference in the Baytown area and throughout Chambers County. Through the Community Impact grants to robust volunteer programs, Team United has worked hard to connect with our community in a deeper, more meaningful way. Your United Way firmly believes in the power of community, to lift our neighbors, to lift our community, and to lift the quality of life for every individual. This year, we began the journey of reintroducing the United Way story, the story of how our community is coming together to create positive change. It is only through the united work of volunteers, donors, local agencies, and communities that change can truly happen and lives are forever changed. The impact throughout Baytown and Chambers County demonstrated in the next few pages is only possible because of partners like you.

Programs and Initiatives

Your United Way offers targeted solutions to community needs through direct programming to the community. The programs provided by your United Way meet real needs of individuals of Baytown and Chambers County, and provide vital resources that lift the quality of life for every individual.

INTERNAL PROGRAMS AND INITIATIVES

Hope for the Homeless is providing basic hygiene items to those who are experiencing homelessness. First responders, resource providers and volunteers are equipped with outreach packages to help in real time.

1635 outreach packages distributed between July 2022 – June 2023

Clothing for Kids Closets helps students stay in school and parents stay at work by providing new, quality clothing for students in Goose Creek CISD, Barbers Hill ISD, Anahuac ISD, and East Chambers ISD. School partners have access to clothing and hygiene items during the time of need of the student, allowing parents to stay at work and know their students are taken care of.

68 students helped through 4 local school districts

Your United Way partners with **Little Free Libraries** to bring literature to students and families equitably throughout Baytown and Chambers County.

23 Little Free Libraries

1112 books distributed

QUALITY IMPROVEMENT PARTNERSHIP

Not only does your investment allow your United Way to support organizations financially, but also through collaboration and capacity building, to increase the sustainability of programs in our area, expanding their ability to reach more people. The **Quality Improvement Partnership** program allows your United Way to work one on one with organizations and community leaders to expand the capacity of programs and support leaders at a deeper level.

CAPACITY BUILDING MICROGRANTS

Capacity Building Microgrants established in 2022 give community organizations and funded partners another opportunity to grow their internal capacity through small, one time grants.

These grants are designed to help organizations build their capabilities to perform their regular services, or implement new community initiatives, by funding one time requests to move the needle for the organization.

3 grants awarded

Communities in Schools

Hearts and Hands of Baytown

Bridgehaven Children's Advocacy Center

POVERTY SIMULATION

The **Poverty Simulation** is a unique opportunity for community members to experience what it is like to be **A.L.I.C.E** – **A**sset **L**imited, **I**ncome **C**onstrained, **E**mployed. These are the individuals in our community that are working multiple jobs to make ends meet, do not qualify for most help or intervention, but are one decision away from a dire situation. The Poverty Simulation allows individuals to get a glimpse into the resources and programs available in Baytown and Chambers County, and just as importantly, what is missing.

Baytown Area & Chambers County Disaster Recovery (BACC-DR)

In 2017, your United Way began its key role in helping our community recover from Hurricane Harvey.

The long-term recovery group was founded and continues to focus on collaborative partnerships that can facilitate and implement a coordinated response to future disaster recovery needs. BACC-DR strives to:

- **Provide coordinated management of long-term recovery to the disaster;**
- **Provide additional long-term assistance to individuals affected by the disaster who do not have adequate personal resources for unmet needs as result of the disaster; and**
- **Advocate for ongoing preparedness within the community and for cooperation with faith-based, governmental and community agencies active in disaster response.**

In January 2023, Baytown was hit by a tornado, affecting neighbors and community members in the Baytown area. In partnership with the City of Baytown's Emergency Management team, a group of community volunteers canvassed the area to offer help to homeowners. United Way was able to assist several homeowners with much needed repairs, made possible because of funding through ExxonMobil and CenterPoint Energy. United Way has a Crisis Fund that makes it possible for the organization to be proactive and responsive in times of need as it relates to a disaster.

Volunteers

Your United Way is volunteer-led and volunteer driven. Volunteers have given more than **8,800 hours of service** to Baytown and Chambers County through your United Way, creating an additional **\$264,196 investment** back into our community.

LIVE UNITED AWARD

The Live United Award is given to an individual in our community that goes above and beyond to serve.

Kaley Smith,
2023 Live United Award Winner

Kaley has been a long-time volunteer, advocate and donor. From the moment she joined the volunteer team, Kaley has been a strong advocate to move United Way of Greater Baytown Area & Chambers County forward to continue to make a positive impact in the community. Her work with Community Impact spearheaded the investment process you see today. Under her leadership, the Community Impact volunteer team grew to accommodate the multiple roles the committee has in the grant process. In addition to her involvement with governance in her role on the Board of Directors, she has been a long-time donor, investing time, talent and treasure to support United Way.

DAYS OF ACTION

Days of Action held throughout the year, are designed to mobilize volunteers to give back toward a specific community need or effort.

This year, volunteers helped put together 300 Hurricane Relief bags, and over 1000 essential document packages.

Martin Luther King Jr. Day of Service

Volunteers packaged **Homeless Outreach Bags** as well as sorted books for our **Little Free Libraries**.

211 Day

Volunteers helped ensure **community members have access to 211**, the statewide hotline dedicated to helping individuals find resources for help.

STAMP OUT HUNGER

Partnering with the Baytown Post Office and the National Association of Letter Carriers, Stamp Out Hunger allows our community to donate nonperishable food items through their mail delivery system.

This year, more than **10,000 pounds of food** was collected and **donated to 9 local pantries** that provide food to those who are hungry in our community.

DAYS OF CARING

Day of Caring mobilized more than **600 volunteers** to complete **65 projects** throughout Baytown and Chambers County.
