Mid Year Report to Donors

Days of Caring 2023

51 Projects completed
490 Volunteers

Days of Caring is a collaboration between your United Way and community partners to collectively create community change. Volunteers built trusses for a new Habitat for Humanity home, painted Active Recess playgrounds for Goose Creek ISD, powerwashed homes for homebound seniors in Anahuac, and so much more. Together, our community came together to Live United!

Clothing for Kids Closets

308 Students supported
4 Local School District Partners

Zachry Group collected coats and hygiene items that supported students in Anahuac ISD, Barbers Hill ISD, East Chambers ISD, and Goose Creek ISD. Through their generous donations, students received coats and other winter wear, feminine hygiene items, shampoo and conditioner, and other basic necessities. This program helps keep students in school, and helps parents and families increase their financial stability.

PROGRAM UPDATE

Hearts and Hands of Baytown

Mayra is part of the unique Food Rx Program at Hearts and Hands of Baytown. Through this program, Mayra comes into the market twice a month to gain access to fresh produce, nonperishables, whole grains, protein, and dairy items. By having increased access to nutritious food, individuals like Mayra can better manage their health while lowering the financial stress of household grocery costs.

"It makes me feel very good when I receive the food, there are six of us in my house and it is a great help because sometimes we have difficulty providing enough to eat for our large family. This program is a blessing, and we are grateful for the support!"

- Mayra
